Join us for this one-day conference to begin developing a common vision for the Capital Regional District, as a framework for common action. Environmental issues like climate change and social issues like homelessness can be tackled by citizens and elected officials. Let's work together!

Bring a bag lunch. Childcare and transit passes available.

Organised by the Vancouver Island Public Interest Research Group (VIPIRG)

Supported by CUPE Island WaterWatch, IslandTransformations.Org, the Council of Canadians, Kairos, Wise Democracy Victoria, the University of Victoria School of Social Work, and the Values-Based Business Network
