

Sharing Food and Knowledge

**A Forum Connecting
Food, Research, and People at UVIC and in the Capital Region**
*Opening presentations by: Dr. Alec Ostry- Canada Research Chair in
The Social Determinants of Community Health and
Linda Geggie – the Capital Region Food and Agriculture Initiatives
Roundtable and LifeCycles*

**Wednesday March 26th 3:30 – 5:30 pm at UVic
Haro Room, Cadboro Commons Building**

Are you working on/studying any of the following areas?

- *Sustainable Agriculture*
- *Food Agriculture and Community Economic Development*
- *Food and Climate Change*
- *Healthy Food Systems*
- *Traditional Knowledge, Food and Culture*
- *Food Access Issues*
- *Public Policy and Nutrition*

Then come and share what you are doing and find out more about research, service learning and work going on at UVIC in partnership with community groups that connect Food, Health, Community and Ecosystems.

- Hear what initiatives are linking UVic researchers and faculty with community-based initiatives, and what priorities are being identified by community groups and organizations around creating greater food security in the CRD.
- Find out how these efforts also linking to other institutions and other research and learning initiatives regionally, nationally and internationally.
- Join in the conversation on how we can be more strategic and effective in our work through stronger UVic-Community collaboration and research partnerships.
- Help develop a research directory and data base that links University and Community food related research initiatives
