

Heads Up !

We will soon be approaching you for nominations for the Unsung Hero Award and Celebration 2011

The Unsung Hero

"Unsung Heroes" are ordinary people who have done extraordinary things and whose contributions within "social profit organizations," (otherwise known as non-profits) deserve to be better known, more fully appreciated and publicly applauded – because they will inspire the rest of us.

The Unsung Hero Award

This annual award acknowledges and celebrates the work of one of many deserving citizens within BC's Capital Region whose impact in the community over time reflects the common values and principles of the sponsoring organizations - the First Unitarian Church of Victoria and the Community Council - which are listed on the next page.

The Celebration

The Unsung Hero Award will be presented at a celebration dinner in March 2011 to a person within BC's Capital Region whose unusual service over time within a social profit organization reflects these values. Funds raised through the sale of 100 tickets at \$50 each are given to the social profit organization designated by the Unsung Hero.

The Nomination and Selection Process

Anyone living in BC's Capital Region may be nominated for this award but no one can propose themselves. Each nominee will have a record of active involvement within a social profit organization; that organization will provide evidence in support of the nominee. Each nominee needs at least three letters of support (including one from the designated organization) detailing the achievements that the supporters believe qualifies the nominee for the award. ***Nomination packages will be available at the end of August 2010.***

A selection panel will choose the award recipient through a review process based on the shared values. When the 2010 Unsung Hero is selected, representatives from his/her designated organization will join the celebration Planning Committee .
